

Rose Andom Center

One Place. Immeasurable Hope.

As we say goodbye to 2023, we want to express our gratitude to each and every one of you who stood by us, supported our cause, and contributed to the hope and healing of survivors. Your dedication has been the foundation of our success, and we are incredibly grateful for your commitment to fostering a community where survivors can thrive.

Gratitude for your Support in 2023:

In 2023, you made a difference! Over 1,300 survivors came to the Rose Andom Center seeking services for themselves and their children! Our wonderful team members and partners were able to connect clients to Civil Legal support, Crisis Intervention & Safety Planning, Criminal Justice support, Housing resources, Healthcare, Counseling, Self Sufficiency resources, services for Children and Youth, and more!

Together, we were able to fulfill 46 emergency Sierra Russell Fund (SRF) requests! The Sierra Russell Fund supports emergency needs when there are no other options. This past year the SRF supported in emergency transportation out of state, changing locks, accessing new phone numbers, apartment holding fees, and much more!

A special thank you to our in-kind partners and community members ARC, We Don't Waste, Project Glimmer, Diaper Depot, Summit Wealth Group, I Support the Girl, Jones Lang LaSalle, Linda I, and many more! Your donations make a huge impact!

Looking Forward to 2024:

In 2024 we are strategically focused on expanding our impact through key initiatives. First, we aim to increase participation in our Camp Hope and Pathways programming, fostering growth and providing crucial support to youth. Building on recent successes, we plan to further develop parent programming alongside engaging Pathways events.

Secondly, we are implementing specialized DEI training for our Board members to ensure the continued growth, learning, and an inclusive organizational culture, reflecting our commitment to diversity and creating a supportive environment.

Another important goal for 2024 is to establish a comprehensive county-wide Strangulation Protocol. This initiative is designed to proactively identify and intervene in high-risk cases, emphasizing the importance of educating first responders for a swift and effective response in such serious situations.

Lastly, we are actively seeking new partnerships focused on housing, workforce development, and corporate collaboration. This will broaden our resources and enhance our ability to meet the evolving needs of our community!

Welcome to the Team!

We are thrilled to extend a warm welcome to our newest Direct Service team members, Logan and Michelle! Their arrival brings talent, energy and fresh perspectives to our dynamic team. As we jump into the new year, we are confident in their skills and dedication to supporting survivors and their families. Logan and Michelle, your presence strengthens our team, and we look forward to successful collaboration!
